

Got this chart from a WhatsApp message:

Comparison between the Salvation Gospel and the Kingdom Gospel

The good news	Salvation : Jesus came to save us from hell and from this perishing world to take us to heaven	The Kingdom : Jesus came to defeat the devil and restore all of creation to be under His rule
Salvation	Escape	Restoration
Worldview and Beliefs	God is holy. The world is sinful and lost. A person's soul is saved if he accepts Christ as his Savior. After that, life consists of two parts : spiritual/sacred and non-spiritual/secular. Spirituality is an internal personal experience maintained through personal devotions. This world is not our home. Our destiny is heaven.	God created us in His image, to reflect His character/glory. All of life is sacred as God created all. Jesus has all authority in heaven and on earth. He is establishing His Kingdom on earth. Everything is to be brought under His rule. All who surrender to His Lordship will be part of His Kingdom. They are empowered by His Spirit to live out His design in all areas of life as they remain one with Him.
Focus	Us : our salvation	Jesus : our King

Spirituality and Concern	Self-centered : Inside a person and inside the Church. Our relationship with God. Our heart and the eternal future of the soul	Other-centered : Love God and neighbors. All of life here, now and forever : law, government, politics, business, art, science, family, sports, education, media.
Church	Building, congregation, meetings	God's Kingdom Community
Mission	Save souls for heaven	Work with God for His Kingdom to advance on earth
Workers	Pastors, seminary teachers, missionaries, evangelists	Every person who is a citizen of the Kingdom
Activity	"Spiritual" : Personal devotions, Evangelism, Church planting, Church growth, Church services, Church programs, Cell groups. "Non-spiritual" : work, sports, hobbies, entertainment	Life as God designed it to be - living under the Lordship of Christ, living out and discipling nations in the truths, culture and values of the Kingdom, being salt and light influence wherever we live and work.
