

A Testimony

I was the only non-Christian member of my family, but I followed my brother-in-law to his church a few times.

In brief, the story of the Cross had its way of replacing all the negatives in our thoughts and giving us all the positives.

By God's grace, I found the opportunity to walk into Jurong Christian Church at her Open House on 4th March 2017.

It was a time that God had planned for me to get to know Him more.

It was a step forward, with no walking back. I started attending the church service weekly and then the time of decision came for me to accept Jesus Christ as my Shepherd.

I was baptised on 3rd December 2017 and have been regularly attending the Jurong West Cell Group meetings.

Give thanks to God that I can now feel restful in Christ – trusting Him more and worrying less.
