

# JCC OUTREACH 2019: Welcoming New Friends

When the year 2019 is still new, it is our delight to make new friends.

After the opening of MPH1 as a badminton court on 5 Dec 2018, the Outreach Ministry welcomed Wen Yan and Kai Shi, our two new friends, to join us in the first game of the new year 2019 on 2<sup>nd</sup> January.

We played badminton, we played table tennis ...  
... and then there was a “blackout” while the game was in progress. Someone brought in little candles to bring light into the

darkness, and cheers brightened up the faces as the Happy Birthday song rang out.

Whose birthday was it? Ha ha ... it was my birthday!

I felt blessed to be surrounded by friends. They have been a blessing to me as I always felt joy to be with them and the joy of the Lord has been my strength for the ongoing outreach activities.

As I enjoy my ministry work, I count my blessings and realise that God has always blessed me abundantly.

In this new year 2019, it is my prayers that God continues to bless the outreach work of JCC as hands of friendship are joined through badminton and table tennis.
