

DIALECT TEAM BVD

Baptism

Deacon Peter went to baptise Mdm Ng Yock Kee at her home on 8th Aug.

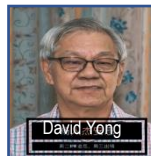

Visitation

Dialect visitation resumes, as the country slowly opens up, the DLT went around to visit the elderly who had not been able to attend church services as there were none conducted for them due to their lack of tech proficiency.

Death

Recently in June and July, the dialect membership was reduced by 3 persons who went home to the Lord. Deacon was there to handle most of the wake arrangements, even accompanying the family to sea burial. It is sad that we could not be there for the wake services but we will meet again one day.
