# Korea-Thailand

**Gospel Presentation: 206**  
**Prayed to Received Christ: 62**

I started the year 2023 with a team of about 30 Korean staff & students from Korea Campus Crusade for Christ, who came to reach out to the university students in Songkhla for 1-week together with us. The Korean staff & students were split into 3 teams & one of the team reach out to Thaksin University (TSU) which I was in.

**I have learnt that God used this team of creative & gifted students for His glory! Their enthusiasm & spirit of excellence stirred my heart to give my best to God. Likewise, the smile & warm-hearted Thai students has given them the courage & passion to reach out to them with the gospel message.**
